## **NFP Awareness Week - July 19-26**

National Natural Family Planning Awareness Week, recognizes the anniversary of the papal encyclical *Humanae Vitae* which articulates Catholic beliefs about human sexuality, conjugal love and responsible parenthood. Natural Family Planning methods represent authentic family planning, both to achieve and postpone a pregnancy. This practice fosters in couples an attitude of respect and wonder in the face of human life, which is sacred, and also profound respect for one's spouse. For more information visit: [www.usccb.org/nfp](http://www.usccb.org/nfp).

### **Reminder from Fr. Amal**

*When returning from an out of town visit, whether to the doctor's office or visiting family, please be extra cautious in keeping your distance & wearing your mask at Mass. With virus cases increasing, we don't want to have an outbreak at church forcing us to shut down for a period. I appreciate your consideration for others.*

**Beginning this weekend**, everyone will be given a missalette and hymnal to keep at home and bring back with them each weekend to Mass; please print your name inside yours.

### **Next Weekend's 2<sup>nd</sup> Collections**

#### **Altar Society**

*Next weekend, July 25/26, the second collection will be for the Altar Society. This collection is for the benefit of each and every one of us who participate at the Holy Sacrifice of the Mass as it helps to defray the cost of many items used at the altar. Wine, hosts, altar cloths, candles, and candle oil are just a few items that this money pays for. Thank you in advance for your generosity.*

#### **Baby Bottle Boomerang**

**New Beginnings Pregnancy Help Center Fundraiser**

The delayed Baby Bottle Boomerang Fundraiser ends next weekend. A third basket will be available into which you can place your baby bottles or cash/check donations. If you would like to use an envelope, pink ones are available in the vestibule. Make checks payable to: New Beginnings Pregnancy Help Center.
